OLD BUSINESS: The Board met with Brian from the Highway Department to look at some road related items. The Board discussed potential road projects for this year. Brian will be sending some estimates for the Board to discuss.

The muskrat problem on 18th seems to be solved. The water is below the culvert. Chair Apps will talk with Shawn at the DNR about cleaning further down the waterway.

Bob Mushinski stated that the current forestry plan ends at the end of 2022. He has heard nothing from Ben at Bell Timber about the new forestry plan. Supv. Perez will contact Ben Preston about getting the forestry plan done soon. Bob had a letter from 1992 regarding the dump site. The Town did ok by the DNR. An annual review of the land should be done. The black locust is all cut down. The University of Wisconsin Stevens Point asked for permission to do research on the prairie area. Bob Mushinski gave them verbal permission as they had done research here in the past. The prairie restoration project is finished. The dump site should be mowed periodically. The Board will wait until the Town is notified.

Supv. Perez emailed Heidi and located the property. They live on 14th north of Cty. Rd. P. Supv. Perez suggested they trailer their ATV to the Town of Oasis to get to their trails. The Board thought it was a good letter.

Mike has put up about 6 of the 20 “no ATV” signs. The Board discussed other locations to install the signs.

Clerk VandeCastle has filed the first report for the ARPA funds. It was due 4/30/22.
